

Present 6th Edition Code, Chapter 1, Section 108.3.5.2 to be amended as indicated below (amendment portion in red):

108.3.5.2 Exemptions from Construction Supervisor License requirement:

A construction supervisor's license is not required for:

1. roofing, siding, erection of rooftop solar collectors, construction of swimming pools, the erection of signs, installation of replacement windows not involving structural modifications, the erection of tents; insulating of the building thermal envelope and the insulating of other systems or portions thereof, required by the Building Code;
